CLOVE AND DYNE TOOTH-ACHE DROPS.
The Clove And dyne is the best of all Tooth-ache remedies. It is immediate and certain in its effects, curing the most violent tooth-ache, or pain in the gums in ten minutes. Experience has proved that this And dyne composition will give immediate and permanent relief, after the failure of every other remedy; it is pleasant to the taste and smell; will not injure the teeth or gums in any way, and a few applications will entirely renovate the pain and soreness from a decayed tooth, so that it may be fitted and rendered useful as ever. When the pain proceeds from the face or gums around a tooth apparently sound, this application will give immediate relief, by rubbing a few drops to the part affected. Price 25 cents. Pursuit of Knowledge under Difficulties.
The following is a most remarkable and praise worthy instance of what perseverance and industry, rightly directed, are able to effect. Among the graduating class at the Commencement last month, at Williams College, was one by the name of Condit, from New Jersey. This gentleman is a shoe maker, is married, and has a family of four children. Six years ago, becoming sensible of the blessings of an education, he commenced learning the simple branches, such as are taught in our primary schools. One by one, as he sat on his shoemaker's bench, he mastered grammar, arithmetic, geography, &c., with some occasional assistance from his fellow workmen. At this time he determined to obtain a collegiate education. Without means, and a large family to support, he commenced and learned Latin and Greek in the evenings, after his day's labor was over, under the direction of a friend, and after the lapse of a year and a half, prepared himself, and entered the Sophomore Class of Williams College. He brought his bench and tools, as well as his books with him. The students supplied him with work; the faculty assisted him; and together with the fund for indigent students and some occasional assistance from other sources, he was enabled to go through the college course, and at the same time support his family. He graduated last week, on his birth-day, aged thirty-two. He stood high in his class, and received a part of the Commencement, but declined. At the farewell meeting of the class, in consideration of his perseverance, talents, and Christian character, they presented him with an elegant set of silver spoons, tea and table, each handsomely engraved with an appropriate inscription.

He now enters the Theological Seminary at New York, and will no doubt make a faithful and popular minister.

What young man in this country will ever, after such an example as this, despair of obtaining an education.

Lorenzo Dow.—Among the many reports for which Lorenzo Dow was famous, is one which some readers have read before, and forgotten, namely, his happening in his travels; for he was evermore on the move—to be in Delhi, New York, he stopped for the night at the hotel of a Mr. Bush, the chief Bonifacé in the village; a round, oily man, with a red nose, and atheistical principles. In the course of the evening the celebrated Genl. Root, then of the New York Legislature dropped in, and being of the same mind with Mr. Bush, they began to quiz Dow with might and main.

Finally, Gen. Root, determining to give him a puzzler, said: "You talk a good deal about heaven; pray give Mr. Bush and myself a description of it. A man who sees it in dreams and trances as often as you profess to do, ought to describe it perfectly."

"Well gentlemen," said Dow, "I can describe it, but I must do it briefly. Heaven embraces a vast extent of territory; the air is clear and wholesome, the country is smooth and level; there isn't a Root or Bush in it, and there never will be."

George Dunn, was discharged from prison at Pittsburg on the 23d inst., by an order of the Supreme Court of Pennsylvania, after a three years imprisonment under sentence of death for murder, and was taken to the watch house before 6 o'clock, P. M., for getting so much intoxicated as to be unable to take care of himself.

A Warm Wish.—A poor widow woman was relating to a neighbor, how fond her husband was of having a good fire; how busy he would make himself in fixing it so that it would burn—"Ah, poor dear man," she continued, "I hope he's gone where they keep good fires."

Neal's Gazette is hereafter to be edited by his widow. During the lifetime of her husband, she contributed to the paper under the name "Charlotte," and she is known to the Magazine as Alice G. Lee.

BUSINESS IS BUSINESS.—An undertaker in New Bedford returns "sincere thanks" through the newspaper, to the inhabitants, for the liberal patronage which has been bestowed upon him during the season.

Loigh Hunt was the son of American parents, though born in England. His father was a royalist, and fled to the mother country at the time of the revolution. His mother was a sister of the celebrated painter Benjamin West.

SAD AFFAIR.—A short time since, at Sand lake, (N. Y.) a woman cut off the tongue of a boy, to whom she was step-mother. The reason she assigns for so doing, is to stop his telling lies.

GENUINE BEAR'S OIL.
Highly Perfumed. Perhaps our ladies and fashionable are not aware that three-quarters of the "Bear's oil," (so called) with which they anoint their locks, wondering that it does them so little good, is nothing in the world but hog's lard, so highly scented as to escape detection, save on close examination. This, however, is simply the fact, and one that ought to be known. The only safe way is to purchase your Bear's Oil of HENRY JOHNSON, who gets it direct from Canada and the North Western Territory, and who never sells an ounce until he knows it to be genuine. The real Bear's Oil is a wonderful beautifier and strengthener of the hair, and should be used by every one desirous of beautiful locks.

Purified and perfumed for toilet purposes, by Henry Johnson, Chemist and Druggist, 273 Broadway, corner of Chambers st. in the granite building. Sold in Newport by R. R. HAZARD, near the Court House. Aug 18/47

Roake's Iodine Liniment.
A SAFE and certain cure for Rheumatism, either chronic or inflammatory. Paralysis, or loss of the use of the limbs, contractions of cords and muscles, and gout, matters not of how long standing; sprains, bruises, tumors, hard swellings, and enlarged joints, yield to a few applications of this Liniment. It has been used with incredible success in scrofula or king's evil, enlarged glands, diseases of the spine and hip, joints, to dislocate and all nervous affections. It is invaluable, and acts like a charm, stopping the bleeding of flesh wounds, and causing them to heal in a few days. It has never been known to fail curing the most stubborn ulcers or fever sores and swelled legs, pain across the kidneys, in the chest, side, also stiff neck, sore throat and croup.

It speedily and effectually eradicates cutaneous eruptions of the skin in the form of salt rheum, erysipelas, pimples, ringworm or tetter. Barber's itch, scald head, &c. It instantly removes tooth-ache and headache. It extracts the pain and cures corns, bunions, chilblains, &c. Sold by R. J. TAYLOR, Agent for HALL'S, FOR WEAK and Inflamed eyes. This valuable Balsam has been used for many years in private practice by the most established Oculists in this and foreign countries, and may be confidently relied upon, as the most speedy cure for weak or inflamed eyes arising from any cause, that has ever been offered to the world. Its peculiar operation consists in removing all unhealthy action in the vessels of the eye, and parts adjacent, substituting a healthy process, which soon results in a perfect cure. The afflicted are invited to try, and become convinced.

BY O. F. JACKSON, 97-THAMES ST.

Active.—Who ever became a man of in
fluence by sitting under the barrow of des-
pondency? What slowpoke ever benefi-
ted the world, his friends, or himself.—
There is nothing like action, coupled with
cheerfulness. We see it every where.—
Who is he sitting on that empty barrel on
the street? A man with no energy—a
prey to grief. He doesn't know what to do
and how to start. Who is that man with
folded arms standing in the market place?
A lazy, do-nothing sort of vagabond, who hard-
ly earns a bread and butter. Do you
wish to become such a character? Then
arouse yourself away from the arm-chair—
up from the gutter—out of the downy bed.
Move, stir, rouse, wake your feet, and stir
about, give your heart a chance to circulate
in the world, and the air of heaven

CAUTION.—Beware of an imitation article called Improved Sugar-Coated Pills, purporting to be patented, as both the pills and pretended patent are forgeries, got up by a miserable quack in the city of New York, who for the last four or five years has made his living by counterfeiting popular medicines.

Remember, Dr. C. V. Clicker is the inventor of sugar-coated pills, and that nothing of the sort was ever heard of until he introduced them in June 1843. Persons should therefore always ask for Clicker's sugar-coated pills, and take no others, or they will become the victims of a fraud. 25 cents per box, or five boxes for \$1.

The great and only Successful
Remedy for the cure of Con-
sumption,

IS Dr. E. W. Vandersmith's INDIAN COUGH
IRISH LUNG BALM.

READ-READ-READ.
Disease of the Lungs and Throat cured.

White Plains, April 20, 1847.

This is to certify that I have been afflicted for
five years with a cough, pain in the chest, night
sweats, difficulty in breathing, etc., and I also
expectorated a large quantity of frothy matter and
blood, from which I was reduced to a perfect
skeleton, my throat was very much ulcerated. I
had lunar caustic applied to my throat twice a
week, but received no benefit; I have used one
hundred different kinds of Patent Medicines, re-
commended by my friends, but all to no purpose.
A friend of mine, Mr. Willett, whose lungs had
been affected for two years past, was cured by Dr.
Vandersmith's Medicine. He insisted upon my
trying Dr. V. and I did so. After I had used his
medicine 15 days, I expectorated large quantities
of yellow fetid matter, my chest expanded, and
my difficulty in breathing subsided. I persevered
with his medicine, and the result has been, I am
perfectly cured of all my sickness. I recommend
every consumptive to try Dr. V.'s medicine, I am
confident it will cure you. Your sincere friend,
EDWARD C. THOMPSON.

Sworn before me this 21st day of April, 1847.

A. H. MICKLE, Mayor of the city of N. Y.

Inflammation of the Lungs.

New York, June 19, 1847.

Dr. Vandersmith—I have been subject to a
cough, pain in the chest, difficulty of breathing,
etc., for many years past. About four months
ago I took a severe cold, which settled on my
lungs. I was unable to attend to my business
during the day. I would have dreadful coughing
spells, that I thought it was impossible for me to
survive unless I could get relief. The excessive
night sweats, had reduced my whole body to a
skeleton. I expectorated white frothy mucus,
in fact, should I give the full particulars of my
case, it would be almost incredible. I was recom-
mended to try Dr. Vandersmith's Indian Cough
Irish Lung Balm. I consented; when I
used it about one week, my cough decreased
considerably, which gave me great hopes. I con-
tinued with the medicine according to directions,
and the result has been that I am restored to health,
a blessing that I have not enjoyed for years, until
the present. I sincerely believe had I not made
use of Dr. Vandersmith's invaluable medicine,
that I would be mouldering in the silent grave.
Therefore I believe that I am doing nothing but
what is justice, in stating the above facts, so that
you may show it to all the afflicted who may call
upon you to administer to them. I shall be
pleased at any time to converse with the afflicted
who call upon me. Your grateful patient and friend,
JAMES B. HENDERSON.

No. 703 Washington street.

Sworn before me this 19th day of June, 1847.

W. V. BRADY, Mayor of the City of New York.

Consumption.

Staten Island, June 10, 1847.

Dear Sir—I take great pleasure in giving you
my certificate, last December I was attacked with
a severe cough, pain in my left side, loss of ap-
petite, and continual raising of white and yellow mu-
cus. Some days I raised a half-pint of mucus,
streaked with blood. I have been under the treat-
ment of several physicians, I was recommended
by Dr. Mitchell of Philadelphia, to use a Breath-
ing Machine, purchased one, I only made use of it one
week it was the cause of bringing on a hemor-
rhage of the lungs, which reduced me so much that
I was unable to sit up, my voice was entirely de-
stroyed, it was difficult for persons to understand
me. I saw Dr. Vandersmith's Medicine recom-
mended very strongly by a patient whom he had
cured. I sent for half a dozen bottles. I received
great relief from that, which induced me to pur-
chase more bottles, I took according to the di-
rections, and I am cured perfectly sound.

Yours No. ROBERT WILLSEY.

Hyer's Pills.

The American Improved Hygienic Vegetable
Medicine.

SAFE, CHEAP AND EFFECTIVE.

This medicine makes no pretensions to miracu-
lous powers, the raising of the dead, or to im-
mense and astounding sales daily and hourly, but
for the most approved method of the times; but
bases all its claims upon plain common sense prin-
ciples, as a simple aim to nature in restoring the
human system to its proper tone and action, when
by carelessness or unavoidable circumstances it has
become deranged or debilitated, and asks simply a
faithful trial as a test of its curative properties.
During the last twenty years it has worked its
way into extensive use, mostly upon its own merits,
by commendation from individual to individual,
not having been advertised for more than twelve
years till within the past few months—save occa-
sionally in a journal of which the present prop-
rietor is Editor. The increasing demand, however,
has necessarily compelled greater attention to its
business, and agencies are now being established
throughout the country.

A faithful trial of a half dollar or dollar pack-
age is almost certain to secure use in every family
where it is introduced, where medicine is needed.
The undersigned has used it in his own family for
more than fifteen years—has knowledge of its ap-
proved use in many others, (for periods varying
from months to fifteen or sixteen years,) as their
only medicine, and knows it to be valuable in most
of the complaints incident to the human system.
But a long or extravagant commendation is not
designed or needed here. Ten thousand mere as-
sertions in its favor will not make it valuable, or
satisfy reasonable persons without a trial; for the
proof, after all, must lie in the use of it. Try it,
then. Read, try, and then judge.

Bogle's Hyperion Fluid; Or Vegetable Hair
Composition.

THIS subscriber has been induced to bring this
article before the public, at the request of his nu-
merous customers, among whom are physicians
and citizens of the first respectability, who have
adopted its use in their families, and wish others to
participate in its advantages.
The Hyperion is composed of vegetable ingredi-
ents, the secret of compounding and blending which
is known solely to the subscriber. It is an arti-
cle in which a cleansing and purifying wash is
beautifully blended with a most delicate, silky
and glossy moisture never before attained, yet free
of animal grease or essential oils. It cleanses the
pores of the skin, causes a healthy action in the
blood vessels, nerves, &c., which feed the hair, thereby
preventing BALDNESS AND GRAY HAIR.

It entirely frees the skin from Scurf, Dandruff,
and other cutaneous diseases, disposes the hair to
curl, and changes the harshest hair into the soft-
est, glossy, and healthy state; also imparts to it
a darker color, and the free use of it, both on the
skin and hair, in a most healthy and luxuriant
state until the latest period of life.

Ladies will find the Hyperion a great addition to
the toilet, both on account of its delicate and agree-
able perfume, and the great facilities it affords for
dressing the hair, which, when moist with the fluid,
can be dressed in any required form, so as to
preserve its place, whether plain or in curls.
When used on children's heads, it lays the foun-
dation of a good head of hair.

DR. BANNING'S PATENT LACE!

An immediate Relief to Incipient Consumption, the
Bronchitis of Public Speakers, Palpitation
of the heart, Dyspepsia, Spinal Weak-
ness, Piles, Protrusion, and Diseases
of Women, without Medicines.

THIS instrument has been examined by Drs.
Mott, Rodgers, Francis, and Grison of New
York, the faculty of Pittsburgh, Hartford, New
Haven and Middletown, and has obtained for itself
their favorable testimony. The following will
show what kind of testimony might be produced
in many cases:

Middletown, June 25th, 1843.

Dr. Boardman,

Sir—In answer to your inquiry respecting my
case, I will merely say, that I have been sick since
I strained my breast and loins in May, 1836, from
that time continued to grow worse, when in the
fall of '39, I abandoned business, and have not
done any thing since. I suppose from all I could
learn about my case—frequently raising blood,
coughing very hard and expectorating profusely,
devoiding no benefit from my physicians, and all
medicines recommended to me, that my case was
hopeless. Last winter my brother told me he had
heard a good account of Dr. Banning's Lace in
such cases, and was anxious that I should try it;
accordingly I procured one from you, and since I
began to wear it, my breathing, which was very
short and laborious, has become easy and natural;
the pain and fluttering or palpitation of the heart
has subsided; cough and expectoration greatly
lessened, my limbs which were exceedingly pain-
ful have become useful, so that I can walk com-
fortably. I am able to shave myself with comfort,
which for many years I have not been able to do.
The piles, which have troubled me for nine years,
are nearly eradicated. I work some in the garden,
and am able to ride 4 miles at once with pleasure
and benefit. Yours, &c. WM. RANNEY.

Dr. G. M. Boardman,

Middletown, June 25, 1843.

Dr. Boardman,
Dear Sir—In answer to your inquiries re-
specting the effect of Dr. Banning's Lace in the
case of my wife, I will state that for twenty years
past, she has been afflicted with a complication of
complaints to which females are subject. She has
tried all the physicians and all the medicines re-
commended for such complaints, without regard to
expense, and found only temporary relief. Her
most distressing complaints, palpitation of the
heart, oppression and a sense of great weight at
the pit of the stomach, protrusion of the womb, &c.,
were believed after wearing the lace two hours, and
she has continued to improve daily. With this
view of the case I cannot use language strong
enough to convey my approval of the instrument.

PROVIDENCE, Feb. 26, 1846.

Doctor Boardman,—Dear Sir—I now take my
pen to inform you that my wife's health has im-
proved very fast for the last two weeks from wear-
ing one of your Laces. She has been out of health
about two years and has worn a different Support-
er from yours, which had only two pads. She re-
ceived some benefit from that—but it would not
produce a cure. But now I can say with pleasure
that she is as smart as any of the young girls in the
neighborhood. She can now run up and down
stairs as fast as I can, and I feel so well pleased
with it that I hardly know how or what to write.
But one thing I do now, that she has been under
the care of seven Doctors in one year—and wear-
ing your Lace two weeks has or will do the cure
in a very short time. I want to write more, but I
have no time. I am truly, your friend and well
wisher. J. * * *

brated Patent Body Bracer, for this state, has taken

eases generally. He is enabled to refer to nume-
rous cases in Providence, and this town. aug. 28

MR. ABRAHAM VANDERBEEK, of 93 Av-
enue D, New York, certifies that his head
was entirely bald on the top, and by the use of
two 3s. bottles of Jones' Coral Hair Restorative,
he has a good crop of hair, and will soon have it
long and thick.

Mr. William Jackson, of 50 Liberty street, Pitts-
burgh, Pa., certifies: On the 3d of February,
1847, that Mr. Thomas Jackson's head, on the
top, was entirely bald for 10 years, and that by
using two 3s. bottles of Jones' Coral Hair Restor-
ative, the hair is growing fast and thick, and will
soon be entirely restored.

Gray Heads! Gray Heads! Read—I hereby
certify that my hair was turning gray, and that
since I have used Jones' Coral Hair Restorative,
it has entirely ceased falling—is growing fast, and
has a fine dark look. Before I used Jones' Coral
Hair Restorative, I combed out handfuls of hair
daily. WM. TOMPKINS, 22 King-st., N. Y.

Mr. Power, a grocer of Fulton-st., had his hair
cloaked up with dandruff, and Jones' Hair Restor-
ative entirely cured it.

Do you want to dress, beautify, and make your
hair soft and fine? Read—I, Henry E. Cullen,
late barber on board the steamboat South America,
do certify that Jones' Coral Hair Restorative
is the best article I ever used for dressing, soften-
ing, cleansing and keeping the hair a long time
in order; all my customers preferred it to any-
thing else.

TO THE LADIES IN PARTICULAR.

MY DEPILATORY POWDER has been
found highly beneficial and of great use to la-
dies who have been afflicted with superfluous hair,
principally when its growth has been confined to
the upper lip and side of the face, giving a mas-
culine turn to the whole features. When used with
proper care, and according to the directions, it will
be found to be a great addition to the toilet, as the
use of any sharp instrument is entirely avoided,
and the hair is removed in five or ten minutes af-
ter its application.

This composition is infallible, and warranted to
remove superfluous hair. After numerous trials, I
have received certificates of success which cannot
be contested. For sale, wholesale and retail, at
